Saturday, May 28
9 a.m.-11 a.m.

Rabies is a fatal, viral disease spread by the saliva of an infected animal such as a dog, cat, fox, raccoon, bat, livestock, etc. Saliva can enter the body through a bite or scratch. Owners of dogs and cats are required by law to vaccinate their pets against rabies. Vaccinating pets is important to prevent the spread of rabies.

For more information on vaccination clinics, or about rabies, call 519-383-8331, toll free 1-800-667-1839, or visit www.lambtonhealth.on.ca.
