

The Ontario Regional Common Ground Alliance (ORCGA) Geographic Council is organizing an event with St. Clair Township.

St. Clair Township is pleased to be hosting the **Dig Safe Flag Raising and BBQ** on April 23, 2019, 11:00am – 1:30pm - being held at St. Clair Township office, 1155 Emily Street, Mooretown, ON.

This Dig Safe event is an opportunity for the Excavating Community to come together to:

- Reduce direct costs including damage repairs and restoration of service;
- Reduce indirect societal costs, including, injury or death, traffic disruption, diversion of valuable emergency services, environmental impacts, economic impacts, etc.;
- Maintain integrity of essential services including vital municipal and utility infrastructure;
- Protect communities from threats to health and security;
- Develop Dig Safe networking contacts; and,
- Promote information sharing.

As St. Clair Township continues to hold Health and Safety in the highest regard, we invite opening remarks to be made by Mayor Steve Arnold.

In addition, Enbridge will have a BBQ with free food and beverages available to the first 150 participants

St. Clair Township and ORCGA Geographic Council strongly encourages all contractors, subcontractors and other interested parties to attend this important event to support the Dig Safe initiative to mitigate risks to workers, the public and infrastructure.
