

## Township of St. Clair

### Update on Closures Related to COVID-19

**September 16, 2021** – While we continue to see increasingly positive trends of low case counts and high vaccination rates related to the ongoing COVID-19 pandemic, to protect the health and safety of both our staff and members of the public, the **Township of St. Clair Civic Centre will remain closed to the public at this time.**

While our office remains closed to walk-in access, staff are available during normal business hours by phone or via email. Should phone and email access not meet the specific needs of a ratepayer, staff are available to meet on a by-appointment basis during our normal hours of operation. Please see contact information below.

The Township of St. Clair thanks you for your patience as we navigate a safe reopening. In the meantime, we continue to encourage everyone to stay safe and follow the public health measures as set out by Lambton Public Health related to the COVID-19 pandemic. We are all in this together and look forward to welcoming you back to the Civic Centre soon.
