Identities needed for mystery Courtright women's team

The latest mystery baseball photo to be investigated by the Sombra Museum staff is this women's baseball team shot.

But this isn't the only photograph still bearing unidentified players and staff members.

If you think you can help identify some of the teams or individuals shown in the mystery photos that have been submitted, please contact the Sombra Museum at 519-892-3982 or email: sombra-museum@hotmail.com.

You can also check out these mystery pix if you drop in during hours of operation (June 1 through Sept. 3 from 11 a.m. to 4:30 p.m.) to enjoy all of the exhibits now on display.

Brigden Legion presented with storyboard

Heritage St. Clair recently presented Royal Canadian Legion Brigden Branch 635 with a copy of the *Foundations of Freedom* storyboard that honours veterans and the Legions that offer veteran and community support, and promote camaraderie. Attending the presentation were, from left: David Pattenden, chair of Heritage St. Clair; Branch 635 President Paul Gonerman; Robert Gostick, first vice-president; and Mayor Steve Arnold.

Model Train event

rolls into Moore Museum

The Model Train event rolls into the Moore Museum on Sunday, July 8 from 1 p.m. to 4 p.m. Train enthusiasts of all ages will enjoy watching the museum's multi-display train room come alive under the knowledgeable hands of the museum volunteers. For details about this popular event, see *Around the Township*, page 19.

Fascinating new exhibits make summer fun at Sombra Museum

The Sombra Museum is now open for the summer season and there are lots of intriguing displays and exhibits for visitors to take in.

The most striking of these displays is the baseball exhibit in the Sydenham-St. Clair Room. Photos and memorabilia, including uniforms and equipment, will bring back memories of the many great baseball teams and players from around the Moore and Sombra areas that now constitute St. Clair Township. There is also a unique opportunity for visitors to add their own baseball experiences or just leave their name and team affiliation. Photos, local baseball cards, newspaper articles, and personal memories or anecdotes will continue to be accepted throughout the summer.

Other displays will include: a collection of items from the Baby Point settlement, discovered by Cliff Roy, author of *Shawanese Township: The Baby Point Settlement*; a featured exhibit about the local railway; and exhibits created by the museum's summer students, which will be displayed in the Bury House.

Visit the Sombra Museum, corner of Smith Street and St. Clair Parkway in Sombra, every day from 11 a.m. to 4:30 p.m. until Sept. 20.
