RECOMMENDATIONS TO APPLICANTS
FOR OFFICIAL PLAN AMENDMENTS

When you apply for an official plan amendment, you are required to submit information which is prescribed by Provincial Regulation as well as other additional information which the municipality requires regarding the amendment. The more information provided, the less likely delays will occur in the review. An Official Plan Amendment must be based on proper planning principles. It is recommended that an applicant:

1. Examine all pertinent planning documents. The proposed amendment must be consistent with the general goals, objectives and development policies of the municipal official plan. The amendment must also have regard to the Provincial Policy Statement issued under the Planning Act. The County of Lambton Official Plan places the Provincial Policy Statement into the regional context of Lambton County. An amendment to a municipal official plan must conform to the County Official Plan.
2. Examine surrounding land uses: The proposed development must fit into the surrounding community. Show the options required to mitigate any adverse impact on surrounding land uses (if any).
3. Examine the capacity of municipal services to accommodate the proposal (existing water, sewage, storm drainage and roads). The proposed density of development must be supported by information about servicing. Contact the municipality or the relevant road authority.
4. At least one public meeting will be held and adequate information must be made available to the public in advance of the public meeting.

The Planning Act contains time-lines regarding the processing of this application. These time lines are based on the date on which the complete application was received.
