Re: Sewer Service Line Repair
Coverage for St. Clair Homeowners

Contact ID:

Dear

Did you know that necessary repairs to the sewer line that runs between your home and the public utility connection are the responsibility of the homeowner? This line is subjected to the same elements that can cause our public service lines to decay – age, ground shifting, root invasion, fluctuating temperatures and more.

St. Clair Township understands the importance of water conservation and protecting the environment. While efforts are underway in many communities to improve public water and sewer systems, these fixes don't address the sewer line located on your property. Homeowners can spend thousands of dollars to repair or replace a broken, clogged or leaking sewer line on their property – and that can be hard on a budget.

This is why we are pleased to introduce the Sewer Lateral Protection Plan Program from Service Line Warranties of Canada (SLWC), a **voluntary** service line repair program that can provide repair coverage for your outside sewer line, up to \$8,000 per covered incident with no deductible or annual cap. This is the only service line protection program for homeowners fully supported by St. Clair Township and endorsed by Local Authority Services (LAS). The program provides a 24-hour emergency hotline, 365 days a year.

SLWC is an independent organization. They administer the program and are a BBB Accredited Business with an A+ rating. SLWC has helped more than 140,000 homeowners across North America save over \$90 million in water and sewer service line repair costs.

Enroll today and pay a monthly price of \$5.75 (plus applicable sales tax) – or save with an annual payment of \$64.00 – a savings of over 7% off the monthly price.

If you enroll in the *optional* program today, SLWC will waive the 30-day waiting period so you'll get immediate coverage. To enroll, return the completed bottom portion of this letter in the enclosed envelope or call **1-844-616-8444** to speak with an SLWC agent Monday through Friday 9am-5pm. Or visit www.slwofc.ca where you can enroll online – and learn about other service line protection products available in your area.

Please enroll by September 4, 2018.

Sincerely,

St. Clair Township

Service Line Warranties of Canada ("SLWC"), with corporate offices located at 11 Grandview Circle, Suite 100, Canonsburg, PA 15317, is an *independent company separate from St. Clair Township* and offers this optional service plan.

For fastest processing, please visit www.slwofc.ca.

Please mark your selection:

- Yes, please enroll me in the Sewer Lateral Protection Plan Program for just \$5.75* per month.
- Please enroll me in the Sewer Lateral Protection Plan Program for the discounted rate of \$64.00* per year.

I understand that my contract starts when SLWC processes this form. SLWC will invoice me based on my selection above. I confirm that I am the homeowner, my line is in good working order, and I meet the eligibility requirements for coverage. Actual Terms and Conditions should be read carefully before buying and can be viewed online. To see full Terms and Conditions with complete coverage and exclusion details prior to enrolling call 1-844-616-8444 or go to www.slwcterms.ca.

Signature (required)

*Plus applicable sales tax.

Important Coverage Information: Eligibility: An owner of a single-family home is eligible for coverage. Mobile homes or properties used for commercial purposes are not eligible. By enrolling, you represent that your sewer line is in good working order. For condos, co-ops or homeowners associations, sewer lines may not be your responsibility, so please check before accepting coverage. Benefit Details: Coverage provides, up to the benefit amount, for the covered cost to repair or replace the primary sanitary sewer line from the point of entry at your home to the point of public or municipal sewer responsibility, where the flow of the line is interrupted due to normal wear and tear or tree roots, not accident or negligence. Not covered: Shared lines that go to multiple properties, detached houses or secondary buildings; branch lines; primary sanitary lines that are over 6 inches in diameter; lift stations or lift pumps; sump, trash or grinder pumps; storm lines and damage from accidents, negligence or otherwise caused by you, others, acts of God or insurable causes. Additional exclusions apply. Making a Service Call: Your contract starts the day your enrollment form is processed and you can make a service call immediately. Cancellation: You may call the number below to cancel your coverage any time. If you cancel within 30 days of your enrollment date, you will be refunded in full less any claims paid (where applicable). If you prepaid your contract and cancel before end of term, you will be refunded the unused portion of your payments less any claims paid (where applicable). Renewal: The contract is monthly and automatically continues thereafter so long as you make timely payments.

For full Terms & Conditions with complete coverage and exclusion details before enrolling, go to www.slwcterms.ca. SLWC is an independent company, separate from your local utility or community, providing emergency home repair services and protection solutions to homeowners across North America. If you would prefer not to receive solicitations from SLWC, please call 1-844-616-8444.
