When mailing payments, please enclose your tax sub and make your cheque payable to "Township of St. Clair." If a receipt is required, please enclose your entire bill along with a self-addressed stamped envelope.

Drain Invoice and Tax Billings

It has come to our attention that Drainage bills that were sent out recently as separate invoices not yet due have been included on the Final billing as Pastdue. This is not the case. Please pay the drainage as per the invoice and only pay the subtotal not including the drain amount on the bill.

We apologize any inconvenience this may cause and are taking steps to ensure this will not happen in the future.
