

ALL SPRING YARD WASTE COLLECTION CANCELLED DUE TO COVID-19

All Spring yard waste collection (April 20 – June 18, 2020) and Brush Collection (June 1st, 4th, 22nd, 25th) for St. Clair Township has been cancelled due to COVID-19. Yard waste can still be placed with regular waste collection but is subject to the 6 item limit and will be directed to landfill, not the Sarnia compost site as this site is not accepting such waste due to COVID-19. Yard waste can continue to be placed in clearly marked containers or compostable bags but it is **not necessary** at this time as yard waste will be collected and directed to landfill.
