AUDITORS' REPORT

To the Directors of The Moore Township Community and Recreational Foundation

We have audited the Statement of Financial Position of the **Moore Township Community and Recreational Foundation** as at December 31, 2009 and the Statement of Financial Activities for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

The Foundation derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the foundation and we were not able to determine whether any adjustments might be necessary to donations revenue or municipal contribution.

In our opinion, except for the effect of adjustments, if any, which might have been determined to be necessary had we been able to verify donations satisfactorily as explained in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Moore Township Community and Recreational Foundation as at December 31, 2009 and its financial activities for the year then ended in accordance with the accounting principles for municipal governments established by the Canadian Institute of Chartered Accountants.
