Beginning on Thursdays (starting Jan. 14th 2016 through to Thursday March 31st. 2016) @ Sir John MooreElementary School in Corunna from 6:00 pm to 7:30 pm the Lady Giants Under 12 girls softball skills camp will take place. All girls born in 2004 and 2005 are welcome to attend.

## This is not a "try out" for the team. (Try outs will take place in the spring)

The purpose of the skills camp is to have girls come out to make new friends, improve their skills and have fun learning the game of softball. Skills will include running the bases, throwing, catching, and pitching. (We cannot hit as the school board will not allow bats in the gym).

You will need to bring indoor shoes, glove, and a positive attitude.
