Lambton County Library Calendar of Events for April 2017

Thursday, March 16, 2017

Wyoming, ON – Lambton County Library's annual spring *Used Book Fair* will be held on Saturday, April 22, 9:00 a.m. - 12:00 p.m. at Library Headquarters, 787 Broadway Street in Wyoming. Suggested donation prices are 50 cents per children's book, \$1.00 per adult book or bring a bag and fill it up for \$5.00.

The LCL Seed Library is ready to begin its second year of offering heirloom variety seed packages to those with a library card. At this time, the seeds are available only at the Camlachie Library. To view a list of available seeds, visit www.lclibrary.ca and locate *Seed Library* under *Programs*. In exchange, participants are asked to let a few plants mature in order to cultivate seeds which are then returned to the library for the next growing season's collection. This program is made possible by a generous donation by Hawthorn Farms of Palmerston, Ontario and the Sarnia Horticultural Society.

April is Car Care month and Lambton County Library has a great car resource for up-to-date auto repair, maintenance and service information. Chilton, a trusted resource for over 100 years, can be accessed online, from the home, garage or anywhere you have Internet access and is optimized for mobile devices. Find ChiltonLibrary on the library's website under eLibrary and eResources.

Mobile Makerspace, a rotating collection of technologies, tools and toys, 3D printers and vinyl cutting machines, has arrived at branch libraries. The collections will be available for three weeks before being exchanged to another branch. For programming and workshop information, please visit www.lclibrary.ca.

Please **pre-register** for all programs except those specified as a **drop-in** by contacting the individual library.

Programs are free unless otherwise noted. Visit www.lclibrary.ca for further details. If living outside of Wyoming's local calling area, call the toll-free number 1-866-324-6912 with any questions or concerns.

All Lambton County Library branches are closed Friday, April 14, Sunday, April 16 and Monday, April 17.
