Healthy Eating and YOU

A series of four sessions lasting 2 hours each. The aim of the program is to help you make permanent lifestyle changes – this is not a “diet” program. You will set your own healthy eating and physical activity goals and learn how to make plans for achieving them. Some topics that will be discussed include:

- Carbohydrates, protein and fats (the good and the bad)
- Physical activity: What types and amounts are beneficial
- Emotional eating strategies
- Sensible portions and portion control strategies
- Group discussions will help you learn from others experiences.

When: Tuesday, April 4, 2017 for 4 weeks from 9:30-11:30 a.m.

Patient must attend first class in order to attend the final three classes

This program is open to the public – no physician referral required.

Quit Smoking Workshop

This is a 2 hour session for people who are thinking about quitting or are ready to quit using tobacco. We will discuss strategies and methods for quitting, such as cutting back, using nicotine replacement therapy, and using prescribed medications. We will also work on finding ways to overcome barriers to quitting, how to make a quit plan, managing withdrawal symptoms, and how to prevent a relapse.

This workshop is open to the public – no physician referral required. Participants are also welcome to schedule individual appointments to receive further support and information from one of our nurse educators.

When: Friday, January 6, 2017	9:30 a.m.-11:30 a.m.
Monday, February 6, 2017	1:30 p.m.-3:30 p.m.
