

Corunna and are surround community neighbours are all invited to attend the 40th Annual Firefighter Field Days in Corunna.

On Friday June 9th there is live music and a beer garden at the Corunna Fire Hall, to kick off the weekend festivities beginning at 8pm. Our opening band is The Rapids who will go on stage first, followed by Jabrito to play out the night!

On Saturday June 10, the Corunna Firefighter Association Parade starts at 11am. Special guests Marshall and Chase along with others from Paw Patrol will be in the parade and be available for pictures at the fire hall after the parade. There will also be inflatables for kids and a fire demonstration and activities for all ages, as well as a BBQ and Beer Garden. There is no admission and all proceeds benefit the Corunna and St. Clair Township Community organizations.

On Saturday night, there is Live Music again, as the Down River Boys and Fake Low play on our stage beginning at 7pm to 1am

We hope to see everyone in Corunna in attendance to continue celebrating Firefighters Field Day, supporting our local community for 40 years!
