

Heritage St. Clair wants your help. We want your old photographs. Pictures your family has taken through the ages. Stuffed in boxes, old albums or in drawers. HSC would like to scan them, put them on our webpage for all to see and enjoy.

Many of us can't remember or have no idea of what our Township looked like 20, 50 or 100 years ago. This will give everyone a chance to view the past through the many pictures that your family has taken over time and kept in boxes in our basements.

The photographs we are looking for are just about anything, but to give you an idea, the photos could be of your:

- \*schools
- \*churches
- \*houses, farms and barns
- \*cottages, docks & boathouses
- \*stores & businesses
- \*ships & boats, both big and small
- \*lodges, community events, picnic
- \*villages, past & present

We will scan them, while your there, and return them to you, for your safe keeping. Or, if you no longer want to keep them yourself, we could help to find a new home for them, possible at the Moore or Sombra Museums.

For your convenience, Heritage St. Clair has set up three locations, three dates where you can bring your photos so we can scan and document them. Look at the schedule and whatever location and date works for you, please bring your photos in.

Wilkesport Community Centre,,,April 14, Saturday, 10am to 12 noon

Port Lambton Library,,, April 21, Saturday, 10am to 12 noon

Cournna Library,,,,April 28, Saturday, 10am to 12 noon

If you would like more information about the program you can contact Heritage St. Clair by e-mailing us at [secretaryheritageclair@gmail.com](mailto:secretaryheritageclair@gmail.com) Also take a look at our website too. Go to St. Clair Township site and under "Residents" or "Recreation" tab you will find Heritage St. Clair. You can also call Ian (519-864-1119) or Dave (519-862-3797) for further info.
