Sombra Museum would like to thank the 37 volunteers and 3 summer students who spent countless hours working hard to make the Sombra Shadows and Spirits tour on September 21 the success that it was. Over 210 people attended the three tours and the museum has received much positive feedback. We couldn't have done it without the support of the volunteers and community. Sombra Museum would also like to acknowledge the support of the Creative County Grant Program, Sombra Optimists, Sombra Sports and Recreation, Sunset Rebekah Lodge #185, Beyond Air Network, Shepley Transportation and Sombra Historical Society.
