Summer celebration marks two openings at Moore Museum

The opening of not one but two new exhibits at the Moore Museum drew a large crowd of people anxious to join in the festivities on June 23. The weather was hot and sunny, just the kind of weather that cries out for refreshing lemonade and some barbecued delicacies. At the lemonade table, Susanne Hodgins, right, provides a frosty glass of lemony goodness to Joyce Brock. Both women are Moore Museum Advisory Board members. For more photos and information from the opening of the new old General Store and the fantastic Lionel train room, see page 5.

Many Township improvements seen this summer

St. Clair Township has witnessed an unusual but welcome burst of improvements this summer, with wide-ranging benefit to the community. These improvements demonstrate the positive effect of Provincial and Federal governments working in partnership with local government.

The culmination of the projects that now add to the quality of life for all municipal residents has been documented and are unveiled in this month's Beacon on pages 5, 6, and 7.

Foundation seeking committee members

The Moore Community and Recreational Foundation was formed in 1990 for those who wish to express their community pride through donations, bequests and other gifts. Funds received by the foundation are used to benefit worthy community initiatives. Grant applications for funding are reviewed each year by the foundation committee members who represent the entire Township of St. Clair. New committee members are currently being sought and anyone who would like to be part of the committee can contact the township office at 519-867-2021.

Donations to the Moore Community and Recreational Foundation are always welcome. They allow the foundation fund to grow and to continue to assist initiatives that contribute to the on-going improvement of the quality of life for all St. Clair Township residents.

Meetings of St. Clair Township Council are held at the St. Clair Township Civic Centre, 1155 Emily Street in Mooretown. Summer meeting dates continue with one meeting slated for August on Monday, Aug. 12 at 3 p.m. In September, meetings are planned for Monday, Sept. 9 at 6:30 p.m. and Monday, Sept. 23 at 3 p.m.

Anyone wishing to address council should call the municipal office at 519-867-2021 for more information. ~ Please note the starting times of each meeting.~

Notice to property owners to destroy weeds

Notice is hereby given to all persons in possession of land, in accordance with the Weed Control Act, R.S.O. 1990, Chapter W.5, Section 3, 16, and 23, that unless noxious weeds growing on their lands within the municipality of the Township of St. Clair are destroyed throughout the season, the municipality may enter upon the said lands and have the weeds destroyed, charging the cost against the land, plus an administration charge as set out in the Act. (Minimum charge per parcel is \$50.)

The cooperation of all land owners is earnestly solicited.

Sewer main flushing underway

The St. Clair Township Public Works Department will be flushing all sewer mains connected to the township sewer system during the hours of 7:30 a.m. and 4:30 p.m. well into the autumn months. During this maintenance procedure, residents may notice some gurgling noise in the drains. If this condition persists after 24 to 48 hours of normal use, please notify Public Works at 519-867-2993.

St. Clair Township Operations

Hydrant flushing underway

St. Clair Township residents should be advised that the Public Works Department is now doing annual flushing of all fire hydrants connected to the St. Clair Township water system during the hours of 7:30 a.m. and 4:30 p.m. The flushing, which will continue through the fall, may cause discolouration when residents use taps, flush toilets, do laundry, etc. as some sediment may be drawn into the residence. It is recommended that the cold water tap be allowed to run for a few minutes or until discolouration disappears. If discolouration continues after 10 to 15 minutes of normal use, please notify Public Works at 519-867-2993.

Dedicated volunteers receive Ontario Heritage Awards

Two deserving volunteers from St. Clair Township were recently honoured with Ontario Cultural Heritage Awards during the July 3 meeting of St. Clair Township Council.

Catherine Bouman was recognized with the Certificate of Achievement for over 10 years of volunteer work as a dedicated volunteer member of the Sombra Museum board and the Sombra Historical Society. She undertook the reorganization of the Reference/Research room at the museum and updates the files when information becomes available. She assists visitors with genealogy research and spends many hours answering email requests. The value of her work helping visitors discover the missing pieces of their roots is obvious from the appreciative reactions her efforts receive.

Catherine's greatest achievement was participating on the Vision Committee for over two-and-a-half years, assisting with the arduous task of moving artefacts from the old Sombra Museum building into the new facility, helping assemble the exhibits and then assisting with the grand opening of the facility. She helps with fundraising efforts as well. Outside the museum, Catherine is involved in the community, participating in the conservation and preservation of the Sombra area. She and her husband recently planted 100 trees in a local natural habitat area.

Bob Johnson received the Certificate of Lifetime Achievement for his exceptional contributions to cultural heritage during his 20 years as an outstanding volunteer at the Moore Museum. Bob has played an important role in helping to double the number of historic exhibit buildings on the museum site. He has volunteered thousands of hours to moving heritage buildings onto the site and to helping restore them. Some of the buildings he has worked on include the blacksmith shop, the former Mooretown railroad station, the former Trinity Anglican Church in

Summer's in the bag at Moore Museum

Summer fun is in the bag (a free bag) at the Moore Museum right now. When you make the trip to Mooretown and enjoy all of the sights and fascinating displays the Moore Museum has to offer, you'll come away with treasured memories and a handsome tote bag. While quantities last, just mention that you saw this article in The Beacon and receive this handsome and practical memento of your visit.

The Moore Museum at 94 Moore Line in Mooretown is now open Wednesday through Sunday from 11 a.m. to 5 p.m. until the end of August. For more information, call 519-867-2020 or go the Website at: www.mooremuseum.ca

Moore Museum celebrates opening of two new exhibits

This large inflatable Lionel engine was one of two that welcomed visitors.

The weather was warm and the guests were many as the Moore Museum held the grand opening of two new exhibits. Visitors were greeted by two huge inflatable train engines in honour of the big reveal of the Lionel Model Train room. Volunteers have been working tirelessly to create a

display that inspires curiosity and a train-enthusiasts spirit with trains of various gauges operating on a huge landscape layout that used to tour the U.S. to promote Lionel trains.

The second exhibit being introduced was the new old general store. This fine example of turn-of-the-century commerce took shape when a group of dedicated Moore Museum volunteers took an empty plot of land on the Moore Museum grounds and built an authentic general store that now holds hundreds of artefacts from the days when big box stores weren't even an idea in the corporate landscape. Before the festivities began, the crowd was treated to an entertaining outdoor concert by *Sounds of Summer*, a duo comprised of Sarah

Caraher on percussion and vocals, left, and Riley Martin on guitar and vocals. The musicians are both studying their craft in post-secondary program. Town crier Gary Smith came out of retirement to preside over the opening ceremonies. Among the dignitaries on hand for the occasion were St. Clair Township Mayor Steve Arnold and Sarnia-Lambton MPP Bob Bailey, who brought greetings from municipal and provincial levels of government. The ribbon-cutting for the new

worked on the project. Volunteer Dan Hayward couldn't attend the event and his wife, Gladis, and granddaughter, River Blair of Toronto filled in for him.

Then it was on to the second event of the daythe opening of the Lionel train display. Again, volunteers who worked on the project were called upon to help unveil the special room that holds a huge landscaped model train environment as well as many artefacts dating back to the heyday of model trains. The display is noteworthy, having traveled North America as part of the Lionel Company's promotional strategy. The display, plus two almost life-size inflatable engines, were donated by Bruce Weatherby.

Bailey, fourth from left, and Mayor Steve Arnold, seventh from

An afternoon of ceremonies on June 24 marked the official unveiling of three significant municipal projects.

The largest of the projects is the new Courtright Waste Water Treatment plant. Right: Attending the ribbon-cutting ceremony were, from left: Deputy Mayor Peter Gilliland, Councillor Darrell Randell; Councillor Jeff Agar; Councillor Jim DeGurse; Sarnia-Lambton MP Pat Davidson; St. Clair Township Clerk John DeMars; Councillor Steve Miller; St. Clair Township CAO John Rodey; Mayor Steve Arnold; and Director of Public Works Larry Burnham.

The Wilkesport library received a much -needed facelift inside and out, ensuring that community residents will continue to have the valuable resource of knowledge at their fingertips. **Right: The ribbon-cutting was attended by, from the left: Warden Todd Case, Deputy Mayor Peter Gilliland, Councillors Darrell Randell, Jeff Agar, and Jim DeGurse, Sarnia-Lambton MPP Pat Davidson, library staff member Shelley Lucier, Councillor Darrell Randell, and Mayor Steve Arnold.**

The projects being unveiled in these photos were the result of hard work, and long hours spent researching the availability of government grants and developing effective grant applications. Mayor Steve Arnold says St. Clair

staff is be commended for their efforts in obtaining the information that was used to bring these projects to the municipality. He also expressed thanks to Sarnia-Lambton MP Pat Davidson for her valuable assistance in advocating for the municipality during the application process and beyond. Two of the projects, the Wilkesport Library building and the Port Lambton ball park, were created with partnerships between the township and the Federal Community Infrastructure Improvement Fund (CIIF), with the Van Damn ball park also receiving funds from

the Port Lambton Athletic Association through its ongoing fundraising efforts. The Courtright Waste Treatment Plant project total cost was \$34,545,753, with \$3,015,990 coming from the Canada-Ontario Municipal Rural Infrastructure Fund (COMRIF) and \$30,527,763 from the Building Canada Fund (BCF). The funding was comprised of 1/3 Federal, 1/3 Provincial, and 1/3 Municipal contributions. The new wastewater treatment plant in Courtright, as well as the revamped Corunna sewage

pumping station and force main, are all in operation now and have been built with provisions that will allow further expansion in the future. Mayor Steve Arnold says the new facilities will contribute to the future growth of St. Clair Township. "The township will be able to look after the needs of this community because (the system) can be expanded," he said.

One of the unexpected aspects of the upgraded sewer and water improvements is that there was money left from the initial project to cover the cost of modernizing the water and sewer system in the Froomfield area. Mayor Arnold says the completion of this project means the entire township is now completely separated from the St. Clair River. He expressed thanks to Sarnia-Lambton MPP Bob Bailey and to MP Pat Davidson for her ongoing advocacy. "Without your involvement, we wouldn't have been able to do this on our own," he said. He also recognized the new facility's project manager of operations, Randy Clendenning, for his efforts to see that the plant remains a good neighbour to the residents that live around it.

Sarnia-Lambton MP Pat Davidson commended the township council and staff for being selective in the projects it embarks upon. "The municipality is doing things for the right reasons," she said. "This is good for the township and for the environment." Impressed with the state-ofthe-art facility, she also complimented Randy Clendenning on his efforts running treatment plant.

Warden Todd Case was on hand to tour the facility and he applauded the township's efforts to stay ahead of the environmental issues that challenge this area. "St. Clair Township is a way-forward community," he said. "You've done a terrific job. This township is the jewel of the area." He congratulated staff and council for their proactive stance on environmental issues.

The second project visited during the day of ceremonies was the newly refurbished Van Damn Park ball park in Port Lambton. The field has been completely remodeled with an immaculately groomed field, proper sheltered dugouts and a multi-use field house. The facility puts Port Lambton in a class of its own among the rest of the baseball fields in this area. The park was conceived of and worked for by the Port Lambton Athletic Association (PLAA). The group has mounted many fundraisers during the past years to fund such a baseball park, and it welcomed the \$40,000 CIIF grant from the Federal government. The remaining \$40,000 of the total cost was raised locally.

Mayor Steve Arnold once again thanked MPP Pat Davidson for her support. He also commended the community and the PLAA for its commitment to the community and to the project in particular. "This stuff can't happen on its own," he said. He acknowledged long-time PLAA member Frank Johnston for his hard work in keeping the parks in the village in good shape. He also noted members Craig Bezaire and "fundraising queen" Diane Ross for their parts in the success of the group. MPP Pat Davidson congratulated the association and pointed out that such efforts strengthen the community and the country. "It's what we need to keep our country vital," she said. "It's the heart of the community that makes something like this successful."

Warden Todd Case noted the park was now "worthy of AA and AAA ball."

PLAA member Craig Bezaire says there are now 13 teams, from tball to peewee ball for the boys, and from squirt to bantam ball for the girls, using the park on a regular basis plus tournaments that are attracted to the professional-grade field.

The third ceremony of the day was held at the Wilkesport library, where the building has received a much-needed renovation inside and out, plus other upgrades that include a fully-accessible washroom. The total cost of the project was \$80,000, with the Federal CIIF chipping in \$37,500 of that cost. The building was originally built in 1916 as a municipal office for Sombra and was used until 1967, when it became a storage building for municipal documents. In the mid 1980s, a library was set up there and has continued to provide resources and reading enjoyment since then. Shelley Lucier, who has worked in the library for 30 years, was recognized by Mayor Steve Arnold for her commitment and hard work at the facility.

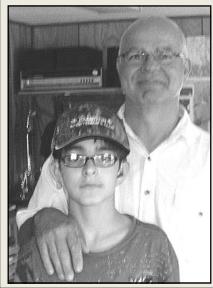

All three of these projects demonstrate the power of community action when there is a will to affect change.

Bad weather? What bad weather...

The inclement weather couldn't dampen spirits as the Sombra Museum hosted its annual lawn concert. Thanks to the new community room inside the new Sombra Museum Cultural Centre, an afternoon of great music banished all thoughts of the rain. The room was filled with visitors ready for some fine entertainment and they weren't disappointed. The band, shown here in full swing, was comprised of Jake Zoller, left, Guy Dion, Christine Storey, Lindsey Myers (guitar) Bill Myers and singer, Cathy Myers (not in photo). Photo submitted

Corunna Soccer Wildcats extend thanks

The Corunna Soccer Wildcats extend thanks to Corunna and all of St. Clair Township for volunteering to help make the 2013 season a success. The Corunna Soccer Committee is also commended for its commitment to the organization.

So-Co-Mo Bowling League appreciates support

The So-Co-Mo bowling club from Airey Lanes in Courtright would like to thank its 2012/2013 sponsors for their support. Sponsors include: Optimist Club of Moore, OPG Lambton G.S., Crystal Clear Janitorial, R.C.L. Branch 635, Downriver Arts and Crafts, Courtright Variety Store, Antonio's Pizza, St. Clair Township Fire Department's Corunna and Courtright Stations, Corunna Chiropractic, Chuck Dawson Trucking, St. Clair Riverview Restaurant, Watson Tim-Br Mart, Preece Enterprises, SDB Telecom, Airey Lanes, and the Optimist Club of Brigden. With the help of these sponsors, the club was able to send 15 bowlers to the provincial tournament in St. Catherines in May. There was a lot of good bowling that weekend and the team of Chantal Legere, Katherine Demarsh, Nikki Wood, and Delainey Brooks were C Division champions, earning \$100 scholarships toward their post-secondary educations. Registration for the upcoming season will be held in September, with bowling starting in October. Details will be released as they are decided.

Annual lawn concert draws full house

The Sombra Museum's annual lawn concert drew a full house on July 7 even though it was held indoors due to inclement weather. Once again, the band, comprised of Jake Zoller, Guy Dion, Christine Storey, Lindsey Myers, Bill Myers, and singer Cathy Myers, delivered a great show which the audience enjoyed immensely. *Photo on page 6*.

Exciting times at Brigden Fairgrounds

The Beacon has learned there are exciting times ahead for the Brigden Fairgrounds. Upcoming events include the grand re-opening of the Exhibition Hall, but that's just the beginning. It's a great time to be a volunteer there, too, so if you're community-minded and want to get involved in something that boasts a history spanning over a century and a half, why not call the fair office at 519-864-1197 or visit the Website at <u>www.brigdenfair.ca</u>.

Shared church services continue

The congregations of the Moore Presbyterian Charge invite you to worship with them this summer as two churches share services. Worship services from August 4-25 are slated for Knox Moore Church, 1354 Rokeby Line. All services are held Sunday at 9:30 a.m.

Forever Fit group leaders sought

The Lambton Elderly Outreach *Forever Fit* program is now recruiting group leaders in Corunna, Sombra, Petrolia, Oil Springs, Forest, Alvinston, and Wyoming. Leaders must be certified seniors fitness instructors and all necessary training will be provided. The one-hour classes are low impact and run from fall to spring. Pennies for Pavement program

Your spare change can help the St. Clair River Trail Committee raise funds for the trail's upkeep and maintenance. Drop off your spare pennies (and other spare jingly coins) at the following locations: Shaykin Bait Variety or the Canada Post office in Port Lambton or the Pic-N-Pay in Sombra Village. Every penny will be matched 2:1 by St. Clair Township Council. Invest your pennies in the good health of your community.

Handyman/Handywoman program helps seniors

Seniors who require help with household maintenance and minor repairs can call the United Way-funded Lambton Seniors Association (LSA) Handyman/Handywoman program. From yard work to minor household repair, house cleaning to lawn care, a wide variety of services are offered at a reasonable cost. For more information, call the LSA at 519-339-8866 or 1-800-219-4717.

Hey, stargazers, this one's for you!

If you're outside in the early hours of Aug. 12 and the stars are beaming overhead, keep your eyes on the sky and you might see some *shooting stars*. To be exact, you'll see a meteor shower courtesy of the Perseids asteroid belt. The earth's orbit takes it through several belts each year but according to *Discover* magazine, this one should be a "stunner".

Information sessions offered by Rapids Family Health Team

Important information sessions that deal with topics such as diabetes care, weight management and other health-related subjects are offered at the Rapids Family Health Team clinic at 233 Cameron Street. These sessions are open to anyone living in St. Clair Township, however, registration is required. Please note that space is limited. For more information on upcoming sessions or to register for any of them, call 519-813-9800 to speak to reception.

Living with diabetes

This two-hour session, set for Tuesday, Sept. 10 from 9:30 a.m. to 11:30 a.m., provides a general overview of diabetes. The most common myths about diabetes and things that can be done to manage diabetes are discussed, and those who attend will also learn what "good control" really is. The discussion is led by a diabetes educator.

Diabetes Healthy Eating and Physical Activity

This two-hour session, set for Tuesday, Sept. 17 from 9:30 a.m. to 11:30 a.m., is for people who have already attended the *Living With Diabetes* class or who have had past education on the basics of diabetes and want more information on diet. We will discuss the basics of healthy eating, what types of food affect blood sugar levels, reading food labels, when and how much to eat, and how to increase your physical activity level. The session will be led by a registered dietitian.

Healthy Weights by Healthy Means

This five-session program, slated to begin on Sept. 11 from 1 p.m. to 3 p.m., aims to help you make permanent lifestyle changes. It is not a diet program. Some topics that will be discussed include: carbohydrate, protein and fats; physical activity and what types and amounts are beneficial; emotional eating strategies; sensible portions and portion control strategies, and more. Group discussions will help you learn from others' experiences. The group will work on weekly actions plans and problem-solving exercises to help you reach your healthy eating and physical activity goals. Each participant will receive a copy of a manual to keep. The session will be led by a registered dietitian.

Healthy Kids and the Keys to Good Health summer camp

The Rapids Family Health Team will offer a *Healthy Kids* and the Keys to Good Health summer camp for children ages seven through 11 the week of Aug. 26 to Aug. 30 from 9 a.m. to 11:30 a.m. Up to 30 children will be accepted for this camp on a first-come, first-serve basis at no cost to the participants. The goal of the program is to empower children to make good decisions related to eating and physical activity.

Children will have the opportunity to:

- Enter into an adventure world and receive a mission to find the keys to good health through various interactive activities and games.
- Prepare and enjoy nutritious snacks and gain an appreciation for new foods.
- Enjoy some active play through fun games and activities.
- Make new friends.

The camps will be two-and-a-half hours in length each day.

To register, please come to the clinic to pick up a registration form. Registrations will be accepted up until Aug. 16.

This program is sponsored by the Optimist Club of Moore and St. Clair Township.

Healthy Kids camp creates happy campers

The Healthy Kids camp offered by the Rapids Family Health Team this summer gives local children a chance to get a head start on a healthy life. Left: Eryn, left, and Alexis work on a 'conversation map', a large illustration of images and metaphors set out like a road map that encourages discussion about information they have learned during the camp. Above: Emily, left, Maggie, and Elisha get some healthy cooking guidance from leader, Katie, while learning to make healthy food choices. The recipes they use are kid-friendly. Photos submitted
