Sombra Community Dock taking shape

The Sombra Community Dock taking shape along the shore in Sombra Park will make its grand debut on July 1. The sturdy structure is engineered to take the worst kind of ice assault Mother Nature can dish out and it features a deck made of slip-resistant material. The structure, spearheaded by the Sombra Sports and Recreation group in partnership with St. Clair Township, has garnered sponsorship from the Sombra Optimist Club and other substantial donors such as Enbridge Pipelines. Special Olympic flag visits St. Clair Township

St. Clair Township Council recently welcomed a visit from one of six Special Olympics flags that is being circulated across Ontario by the Knights of Columbus, one of the game's sponsors. The flags, which are circulated by the Knights to raise awareness and funds for the annual games, will be displayed at the upcoming 2017 Special Olympics Ontario Provincial Summer Games being held this summer at the Terry Fox Stadium in Brampton, Ontario. Members of the local Knights of Columbus 9447 Corunna Council brought the flag in to be signed by council and to garner support for the games.

MUNICIPAL NOTES

COUNCIL MEETING SCHEDULE

St. Clair Township Council meets every first and third Monday of the month (with exceptions to accommodate holidays). The next meetings will be held on Monday, April 3 at 6:30 p.m. and Monday, April 17 at 6:30 p.m. The Committee of the Whole meeting will be held separately on Monday, April 10 at 3 p.m. Anyone wishing to address council should call the municipal office at 519-867-2021 for further information.

Moore Community & Recreational Foundation - application deadline

The deadline for Moore Community and Recreation Foundation financial assistance is May 31, 2017. For detailed information about the foundation and to obtain a grant request form, visit the St. Clair Township Website at: www.twp.stclair.on.ca For further information, please contact Charles Quenneville, Treasurer, or Mayor Steve Arnold at 519-867-2024 or 1-800-809-0301.

Budget update hints at small increase

Although the 2017 budget will not be finalized and approved until April, the basic impact of the deliberations is now understood. As it stands, the budget will likely result in a 0.76% increase over 2016.

Some factors that make the increase necessary include: the hiring a new health and safety officer; inflationary considerations such as staff wages and contracts for waste, recycling, etc.; the loss of \$1.3 million in Ontario Municipal Partnership Funding (the township received \$1.7 million in 2016); and the hiring of a second Public Works Coordinator who will oversee roads in the municipality. Until 2013, two Public Works Coordinators were on staff and it was thought that one coordinator could look after roads as well as water and sanitary systems. The task has proven too great for a single coordinator to handle.

Mayor Arnold says this budget has been especially dif-

HYDRANT FLUSHING

St. Clair Township
Residents

Public Works will be undertaking annual flushing of fire hydrants connected to the St. Clair Township Water Distribution System during the hours of 7:30 a.m. and 4:30 p.m. beginning May, 2017 and continuing into the fall. During this maintenance procedure, you may notice some water discolouration when using taps, flushing toilets, doing laundry, etc. as some sediment may be drawn into your residence. We recommend that you run the cold water tap for a few minutes or until discolouration disappears.

If discolouration of the water continues after 10-15 minutes of normal use, please notify Public Works at 519-867-2993.

SEWER MAIN FLUSHING

St. Clair Township
Residents

Public Works will be flushing sewer mains connected to the St. Clair Township sewer system during the hours of 7:30 a.m. and 4:30 p.m. beginning April, 2017 and continuing into the fall. During this maintenance procedure, you may notice some gurgling noises in drains.

If conditions persist after 24-48 hours of normal use, please notify Public Works at 519-867-2993.

New energy-efficient streetlights already paying off for township

In late 2015, St. Clair Township approved the replacement of about 1,400 St. Clair Township streetlights with energy-efficient LED units in an effort to take advantage of the Hydro One LED program. The goal was to realize long-term savings on the township's total energy bill. The LED retrofit program resulted in an impressive savings of 812,108 kWh of energy during the initial measurement period.

At the March 6 meeting of council, Hydro One representatives Braedyn Stockfish and Gennaro D'Atri were on hand to congratulate the township with a cheque for \$118,554.85. The cheque represented the first LED program rebate of a multi-year amount.

"We're happy to be part of this program," said Mayor Steve Arnold. "We spent two years evaluating samples of the lighting from eight different suppliers before making

the choice."

He added there are still areas in the township that require better coverage. "We still have a couple of areas where there isn't adequate lighting coverage, but work is being done on solutions to improve the situation," he said.

Above: During the March 6 meeting of council, Hydro One's Conservation Account Manager Braedyn Stockfish, front left, and Hydro One's Lead Technical Reviewer (for the Retrofit Program) Gennaro D'Atri, front right, presented St.

Clair Township with the first LED program rebate cheque for \$118,554.85. Mr. Stockfish also presented St. Clair Township with an Award of Excellence for continued energy conservation efforts. Mayor Steve Arnold accepted on the township's behalf. Rear row left: Looking on were Councillors Steve Miller, Tracey Kingston, Jim DeGurse, Darrell Randell, Township CAO John Rodey, Councillor Jeff Agar, and Deputy Mayor Peter Gilliland.

ficult, making it impossible to maintain a zero increase.

"We worked hard to keep increases to a minimum," he said. But once again, the loss of tax revenue from OPG's Lambton Generating Station presented a significant challenge. "It wasn't only the loss of taxes from OPG, but we had to repay some taxes to them to the tune of \$3.8 million."

He said the repayment was due to tax assessments that have been repeatedly challenged and won by OPG.

Now in the final stages of the 2017 budgetary process, Mayor Arnold says council is optimistic that such challenges will be a thing of the past.

"At the end of the budget cycle, we hope that many of these challenges will be behind us and we can celebrate Canada's 150th anniversary by starting the next 150 years on a long-term, stable footing," he said.

Area Legions make donation to 2563 1st Hussars Petrolia Army Cadets

Four local Royal Canadian Legion branches including Corunna, Brigden, Oil Springs, and Petrolia, have come forward to support the many activities and programs of the 2563 "1st Hussars" Petrolia Army Cadets.

The Petrolia Army Cadets group is part of the cadet program of Army Cadet League Canada (Ontario) and the Royal Canadian Army Cadet Corps, and it has had a presence in Petrolia for nearly 30 years. Intended for teens age 12-18, the cadets undertake many activities including camping, developing mapping skills, undergoing survival training, and playing the pipes and drums. The intent of the program is to focus on leadership, team building, community participation, and responsibility.

The Cadet Corps program is founded on the belief in inclusion for all. Zero fees are charged to join, or for equipment and programs. Although dress uniforms and some activities are funded by the Department of Defense, the majority of activities are funded through fundraising by the Support Committee and through generous donations such as those received from the Legions.

Anyone interested in joining the cadets can do so at any time throughout the year once they are age 12. For more information, or to arrange a no-obligation visit, please

contact the Cadet Corp at 519-312-6555 for more information or visit the website at www.petroliacadets.com

Ships that violate river speed limit contribute to shoreline and Property damage: please report it

Transport Canada, through the St. Clair and Detroit River Navigation Safety Regulations, regulates the maximum speed of vessels proceeding through certain portions of the St. Clair and Detroit Rivers. When ships exceed that limit, shoreline impacts and other property damage can occur.

If members of the public have any questions or information related to speed limit violations in these rivers, they are urged to call Transport Canada Marine Safety at 519-383-1826.

For more information about Transport Canada Marine Safety, go online to: www.tc.gc.ca/eng/marinesafety/menu.htm

Attention motivated youth

The Royal Canadian "1st Hussars" Army Cadet Corps Petrolia invites boys and girls ages 12-18 to learn new skills, marksmanship, orienteering, hiking, leadership, pipes and drum band, and teamwork, participate in many new challenges, make

new friends and attend great summer camps, all at no cost. Join us today!

Cadets are not required to join the military. For more information, call 519-332-6555 or visit: www.petroliacadets.com

New cutting-edge alternative energy facility slated for Sombra

By Bonnie Stevenson

An announcement made in chambers during St. Clair Township council's March 6 meeting is a game-changer in the field of alternative fuels. Tim Haig, president and founder of Forge Hydrocarbons, was on hand to talk about a new first-of-its-kind, cutting-edge facility the company is building in Sombra adjacent to the current BIOX plant.

Technology developed at the University of Alberta by Dr. David Bressler will use a revolutionary biomass refining process to convert the dirtiest of cooking oils and animal fats into "green" full-octane gasoline and diesel fuels.

This biofuel technology differs from the current process because it can turn fats into hydrocarbons without the use of carbon or catalytic additives, components that comprise the most expensive parts of the process. The new technology uses a water distillation process which creates fuel molecules without the added cost.

Mr. Haig said the \$25 million facility should be operational in about 18 months, creating about 200 construction jobs and six to eight permanent jobs. The plant will be built in modules off-site and moved onto the site in sections. When in operation, the plant will receive feedstock by truck, with an estimated 10 trucks in and out each day.

Council questioned Mr. Haig about the potential impact the plant's operation will have on surrounding residents. Mr. Haig cited the example of a larger BIOX plant located in Hamilton, Ontario, where residents live right next to the plant. He said the company recognizes its duty to be a good neighbour.

There is no other commercial facility like this in Canada and Mayor Arnold sees it as a significant addition to the municipality's green industrial base. "It's nice to be on the leading edge of this technological advance in the realm of biodiesel products," he said.

Canada Day Challenge contest invites young Canadians to share their vision of Canada

Young Canadians are encouraged to share their vision of Canada's next 150 years by expressing themselves through art (drawing and painting); photography; and creative writing.

The Canada Day Challenge, an arts contest delivered by the Department of Canadian Heritage, is especially meaningful in 2017, not only because this is the 30th anniversary of the Challenge, but because this year marks the 150th anniversary of Canada.

Participants will qualify to win an all-expenses paid grand prize trip for two to Ottawa to celebrate Canada Day and to take part in activities marking the 150th anni-

versary of Confederation.

Young filmmakers take note

Young aspiring filmmakers can also compete in the Canada Day Video Challenge entitled *Here's My Canada*. It is also a Historica Canada project and is also a Canada 150 Signature Initiative.

Here's My Canada is a multilingual, nation-wide contest inviting Canadians to express what Canada means to them in a 30-second video. This project is made possible through funding from the Government of Canada and the Bank of Montreal. For more information, go online to: www.heresmycanada.ca

The Good Neighbour Experience

A local Canada 150 project

The Beacon is currently seeking out the **Good Neighbours** of St. Clair Township. We want to hear from residents who know people who never seek recognition for the kind things they do for others.

Throughout 2017, The St. Clair Township Beacon will give St. Clair Township residents a chance to acknowledge the good neighbours who may live next door, down the block, or elsewhere within the township. What better way to celebrate Canada's 150th anniversary than with a celebration of our neighbours, friends and, sometimes, complete strangers who help to make our community, and our nation, one we can take pride in.

From now until the end of 2017, we want to hear from **YOU**. Do you know someone who brightens your life with their thoughtfulness and kindness? If your answer is "yes", please let us know.

Email The Beacon at:

beacon@twp.stclair.on.ca

and write "Good Neighbour" on the Subject line

In a brief message, tell us who your **Good Neighbour** is and how that person makes a positive difference to **you and/or your family**.

As space allows, The Beacon will publish excerpts from these emails in *The Good Neighbour Experience* column and each month, a good neighbour nominee will be chosen at random to receive a special **Good Neighbour** certificate from St. Clair Township during a regular meeting of council.

Here are the latest stories we've received:

~ ~ ~ ~ ~

Good neighbours care for Duthil Cemetery

Bill Scholtens, chairman of the Duthil Cemetery Board, says Norm and Lois Tulloch have been good neighbours to their community. "The Tullochs have diligently assisted their fellow neighbours by looking after every aspect of the Duthil Cemetery for about 60 years, and their son, Gordon, has also done the same for almost his entire life. They do this quietly, without any fanfare."

Good neighbour's caring efforts cross borders

Corunna resident Charlene Glover's efforts prove her to be a good neighbour, not only to her friends and neighbours, but to people beyond our border. Her friend Sylvia Knight says Charlene prepares meals for shut-ins and the sick, whether they are neighbours, friends, or church members. She also crochets and knits items for anyone in need and drops off goods for immigrant workers at the pepper farm. She recently made over 60 sun dresses to be delivered by a group going on a church mission to the Dominican Republic.

The sky's the limit for St. Clair Township's Canada 150 celebration

WE'LL BE FLYING HIGH WITH THE 403 HONOUR FLIGHT

Pilots from the 403 Honour Flight will be streaking across the sky over the Mooretown Sports Complex on July 1 at 3:30 p.m. to announce the beginning of the St. Clair Township Canada 150 festivities. The team, comprised of 10 local pilots, was formed several years ago to honour and pay tribute to local Veterans and their families. When requested, the team flies for local military Remembrance Day services, funerals of pilots and Veterans of the RCAF, and other such services. It is a gesture of respect and thanks. "The freedom to fly freely is a privilege we have because of the Veterans' efforts so long ago," said Mark Seibutis, the team's flight leader. "When we fly well and to the best of our ability, with precision and discipline, we honour Veterans from the past, the fallen and the survivors, those who are currently serving, their families, and members of the public who support them in so many ways."

The team wears blue flight suits, the colour and badging of the Canadian Air Force Association. The flight suits represent not only the team, but the Sarnia 403 Wing as well.

As the formation of aircraft passes overhead, Mr. Seibutis says the team hopes the flight will inspire spectators to think about the reason for their flight. "We hope they will stop for a moment to remember the Veterans of all services that fought to give us the Canada we have today," he said.

Sombra Community Dock a Canada 150 project five years in the making

From page 1

The Sombra Community Dock is a Canada 150 project that has been five years in the making. A lot of thought has gone into its design and methods of funding the construction. St. Clair Township has contributed half of the cost of the project and the Sombra Sports and Recreation group has been fundraising to supply the balance. Group spokesperson Allan Anderson says this is not the first project in which the township has agreed to be a partner. "We've had an excellent relationship with the township in the past," he said, citing the ball diamond project and the splash pad project as two other examples of successful partnerships with the township. Since the dock project was approved, the group has been working hard to raise its share of the cost. "We've had Sombra Days donations, held golf tournaments, card parties, beer bottle, can, and wine bottle collection, and conducted a fundraiser of sending out letters to local industries." Mr. Anderson says fundraising is still underway and all donations

are appreciated. However, for a donation of \$1,000 or more, the company or individual donor will be acknowledged on one of two dedication stones that will be erected at the dock site. The second stone will identify the dock as a Canada 150 project.

When complete, the dock will have railings along the walkway, two sets of stairs into the water, ladders on the finger docks to assist boaters, three sets of ice diverting spiles to protect the dock against ice damage, a walkway from the street down to the dock, and an eight-foot bench at the end of the dock.

The dock will be officially dedicated on the morning of July 1. A community breakfast is planned and a Paddlefest event will invite a variety of watercrafts, from kayaks and canoes to row boats and wind surfers, to join the celebration. The group's goal is to have at least 150 "paddlers" out for the occasion. Everyone is invited to attend and help celebrate the completion of a community venue that has been a long time coming.

Seasons In St. Clair - Canada 150 Photo contest

Until Dec. 15, 2017, St. Clair Township residents are invited to photograph their favourite spots in the township and enter up to three photos in Seasons In St. Clair, a photo contest celebrating Canada's 150th anniversary. Details are available online at: www.mooremuseum.ca

The content is accompanied by pictures to colour and activity pages. Each book sells for \$19.95. Copies are selling quickly and quantities are limited, so call the Moore Museum at 519-867-2020 or drop by from Monday through Friday from 9 a.m. to 4 p.m. to purchase your copies.

VOLUNTEERS SOUGHT TO HELP WITH CANADA 150 CELEBRATION

Saturday, July 1, 2017 will mark the 150th anniversary of Canada and St. Clair Township is going to celebrate with a family-friendly party that will be remembered for decades to come. The St. Clair Township Canada 150 Committee is busy planning a day filled with family fun, entertainment, and good food that will be topped off with a truly spectacular display of fireworks.

Volunteers are now being sought to help with a variety of duties, from grounds keepers to parking assistants to helpers that will assist with the set up and tear down of the site. Students are reminded they can acquire volunteer hours this way. For more information or to volunteer, call Michelle at 519-867-2651.

Outdoor art creating awareness of community heritage

The Moore Museum is seeking submissions from Lambton County artists for the design and creation of a large outdoor mural to enhance the façade of the museum's main building. The Moore Museum's main building is housed in a re-purposed two-room red brick schoolhouse that was built in 1942 and expanded in 1952. To prevent damage to the artifacts due to light damage from the large windows of the school, the windows have been covered. While beneficial to the artifacts, this has resulted in an outside appearance that leads many people to believe the museum is closed.

The mural will fill a large 28'x8' "boarded up" window that faces the main road. It will attract attention from potential visitors and be an artistic addition to the community. It will raise public awareness of the talent that exists in the local artistic community and will provide a positive, attractive first impression for visitors.

Lambton artists are invited to submit design ideas and bids for the production of this mural. Designs and bids may be submitted to

the Moore Museum, 94 Moore Line, Mooretown, until April 30. Further details are available by calling the museum at 519-867-2020.

The Moore Museum gratefully acknowledges the financial support of Lambton County's Creative County Fund in funding this project. The Creative County Fund invests in new and innovative projects that build cultural capacity, strengthen the creative community, define the County's unique identity, and enrich the quality of life for all residents.

Sombra Museum seeks bedroom wash stand/basin

The Sombra Museum's *Bury House* is in need of two Victorian style bedroom wash stands such as the one shown here. These authentic pieces will be used to further the building's restoration to the fine Victorian home it once was.

The *Bury House* at the corner of Smith Street and the St. Clair Parkway was previously used as the museum's main exhibit building. Its restoration will allow visitors to experience the house as it was in the Victorian Era.

Anyone who has one of these wash stands and is willing to donate it to the museum can call 519-892-3982.

Help us turn back time at the Sombra Museum.

100th anniversary of Vimy Ridge

April 9, 2017 will mark the 100th anniversary of what would become a seminal moment in the history of Canada. Four divisions of Canadian soldiers accomplished the taking of the seven-kilometre long Vimy Ridge in four days, a feat that neither the French nor the British managed to achieve.

Over 10,600 Canadian soldiers were killed or wounded during the battle, but their sacrifice helped to establish Canada's identity as an independent nation.

Access Cancer Therapies (ACT) benefit planned

How would you feel if you or a loved one had cancer and the state-of-the-art treatment that might help was out of reach because of the cost?

ACT (Access Cancer Therapies) was started in 2011 to help patients at London Regional Cancer Program pay for treatments not covered by OHIP and out of their reach financially.

Port Lambton resident Deb Vandendool, who is now battling cancer for the third time in 18 years, and her husband, Wayne, are taking steps to help support this vital program. The couple will host "A Night for Cancer", a fundraiser/auction for the ACT Now Foundation, at the Wilkesport Community Centre on Saturday, April 29, with doors open at 6:30 p.m. The auction will begin at 7 p.m. Tickets are \$10 per person or two for \$15. They are available by calling the Vandendools at 519-627-6100 or from any Sombra Optimist member. Donations to the auction can be made by calling the Vandendools.

Please help make cancer history!

Be a healthier *you* with help from the Rapids Family Health Team

The following sessions are being offered at the Rapids Family Health Team clinic, located at the Shell Health Centre, 233 Cameron Street in Corunna. There is no charge for participation but you must register for each one you take. Please note that space is limited. If we are unable to accommodate you for the day of your choice, we will put you on a waiting list for future sessions. For more information, go online to: www.rapidsfhteam.ca or to register, call 519-813-9800 and speak to reception.

Living With Diabetes

This is a two hour session that provides a general overview of diabetes. We will discuss some of the most common myths about diabetes, learn what "good control" is, and discuss some of the things you can do to manage diabetes. The next sessions, led by a Nurse Educator, will be held on Monday, May 1, 1:30-3:30 p.m.

Diabetes Healthy Eating and Keeping Active

This is a two hour session for people who have already attended our Living with Diabetes class or who have had past education on the basics of Diabetes and want more information on diet. We will discuss the basics of healthy eating, what types of food affect your blood sugar levels, reading food labels, when and how much to eat, and how to increase your physical activity level. Sessions led by a Registered Nurse will be held on Monday, May 8, 1:30-3:30 p.m.

A Guide To Diabetes Prevention

This is a 1.5 hour group session for those who want to learn about diabetes and how to prevent it, or for those who have been told they are at risk of getting diabetes. This session is led by a Registered Nurse and a Registered Dietitian. They will discuss what diabetes is, risk factors for getting diabetes, and how to decrease blood sugar levels through lifestyle changes. The program is open to the public and no physician referral is required. The next session will be held on Friday, April 28, 9:30-11:30 a.m.

Healthy Eating and You

This program is a series of four sessions of two hours each. It will help you make permanent changes and is NOT a diet program. You will set your own healthy eating and physical activity goals and learn how to make plans for achieving them. Some topics that will be discussed will include: carbohydrates, protein and fats (good and bad); physical activity; emotional eating strategies; sensible portions and portion control strategies; group discussions to help you learn from the experiences of others. This program is open to the public. No physician referral is required. The session begins Tuesday, April 4 for four weeks from 9:30-11:30 a.m. Patients must attend the first class to attend the final three.

Quit Smoking Workshop

This is a two hour session for those who are thinking about quitting or are ready to quit using tobacco. We will discuss strategies and methods for quitting, such as cutting back, using nicotine replacement therapy,

and using prescribed medications. We will also work on finding ways to overcome barriers to quitting, how to make a quit plan, managing withdrawal symptoms, and how to prevent a relapse. The workshop is open to the public and no physician referral is required. Participants are also welcome to schedule individual appointments to receive further support and information from one of our Nurse Educators. The next Quit Smoking session is slated for Wednesday, April 5 from 1:30-3:30 p.m.

Stress Management Workshop

Created by our registered Social Worker, this two-hour seminar, offered monthly, will provide you with information on how to effectively manage stress through: regulating the stress response; goal-setting; problem-solving; challenging unhelpful thinking; and communicating assertively. This seminar is open to the public and no physician referral is required. The next seminar will take place Friday, April 7 from 9:30-11:30 a.m.

Anxiety Awareness

The Anxiety Awareness Therapy Group is an eight week program for adults 18 and over who are living with and managing anxiety in day-to-day life. The program is facilitated by Registered Social Workers. Participants will learn how to deal with their anxious thoughts, feelings and behaviours by understanding their anxiety and how to manage their worry. Relaxation skills and stress reduction techniques will be focused on during weekly sessions as well as other topics that will educate group members and teach them coping skills. The program will begin Monday, May 2 from 1:30 - 3:30 p.m. (except for Victoria Day, Monday, May 23). *Class date, times and location within Corunna are subject to change/cancellation depending on number of patients registered.

Teaching kitchen

Healthy cooking classes will not only help you build your knowledge of healthy eating, but also help you apply them in a friendly group setting. A wide range of health conditions and topics include: heart health, digestive concerns, vegetarian, cooking for one, increasing fruit and vegetables, high blood pressure and more. Classes are open to the public and no physician referral is required. The next class is slated for Wednesday, April 26 from 2 - 4 p.m.

Laboratory services offered

Laboratory services at the clinic are available

Monday through Friday from 7:30 a.m. to 11:15 a.m.

New patients being accepted
