

## HERITAGE CORNER

Patrons who attended the Moore Museum's popular Victorian Tea on Sunday, May 19 were well served by these three young members of the wait staff while the ladies in the kitchen were kept busy dishing out five delectable flavours of warm scones paired with hot or cold beverages. Diners in the quaint Victorian cottage dining room relaxed and enjoyed a leisurely dining experience. Wait staff trio, from left: Malina Wszolek-Edey; her sister Larisa Wszolek-Edy; and Jessie Otten. Chatting in the background are young ladies dressed for the occasion; Jensen Tomajko of London, left, Dani Normandeau of Petrolia, and concealed at left, Billie Letkenmann.

### **VOLUNTEERS SOUGHT for the Advisory Committee and the Tuesday Group**

The Moore Museum is looking for anyone who would be interested in joining the **Advisory Committee**. We meet at the museum once a month (with a few exceptions), at 7 p.m. on the first Wednesday. We discuss all matters concerning the museum, including upcoming events, maintenance needs, the accepting of large donations/artifacts, etc.. Anyone with an interest in the Museum or local history would be welcome to join!

The Moore Museum is also looking for volunteers who may enjoy being part of the **Tuesday Group** on Tuesday mornings. The group comes to do general maintenance around the grounds, such as painting or building shelving or display mounts, etc. and they enjoy the camaraderie of working together. They usually stay until early afternoon.
