Corunna, Mooretown, Courtright, Brigden & Aamjiwnaang

GROCERY DELIVERY GUIDELINES

- Delivery beginning Tuesday March 24, 2020
- Orders are by phone (519-862-5213) or by email – fld6305bluewater@sobeys.com. Orders must be received by noon for same day delivery. Orders received after that time will be processed the next day.
- Deliveries will be done Monday to Friday
- No deliveries after 5:00 pm
- Foodland will receive, shop and deliver all orders.
- Optimist Club volunteers will deliver orders between noon and 5 pm daily.
- Payment by Visa/Master Card/American Express only. Order will only be released after payment has been approved.
- Orders that are delivered will be left at customer's door to limit the contact between them and the driver. If customer is not home, the order will still be left and will not be returned to the store. Customer is expected to be home.
- Deliveries are aimed for Seniors who have difficulty leaving their home, citizens who have returned from foreign travel and should be under self quarantine and those with vulnerable conditions which makes them at risk to public exposure. At this time, it is not meant for general home delivery so as not to overwhelm store employees and community volunteers.
- No Delivery fee or tipping of any kind will apply. However, any customer wishing to make a donation for this service, can indicate at time of order and that amount will be added to their order. Donations will be totalled at the end of each week and a gift card in that amount will be given to our Local Food Bank. This is completely voluntary.
- Email orders_- email to include **customer name, address and phone number**. If a rural address, please indicate nearest Sideroad. **Do not** include any Credit Card information in the email. Once the order is received, Foodland will call to secure any payment information. Once an order is processed for payment, Credit Card information will be destroyed. Any repeat orders will require providing the same information.
- With the current pressure on the Grocery supply chain, most stores are experiencing extreme levels of product shortages with limited SKU counts. Please indicate if product substitutions are acceptable and we will try to get request as close as possible. Limits may apply.
- No Rain Checks, Refunds or Returns.

Reminder to all Foodland patrons:

- Store hours have changed from 24 hours to **8am to 8pm**
- **Seniors Shopping Hour** is daily from **8am to 9 am**. This hour is dedicated to Seniors only and those with vulnerable conditions that makes them at risk to public exposure. We ask that everyone respect this time and not to shop at store during this hour.
- Updates can be found at **Foodland.ca** or see us on **Facebook**
