

The Township of St. Clair has implemented proactive measures as a precaution to limit the further spread of COVID-19, including the closure of all Township buildings to the public.

Staff are closely monitoring the COVID-19 situation and the Township has emergency management practices prepared. In an effort to use an abundance of caution to ensure staff are able to continue to deliver essential services and to protect the public in the wake of COVID-19, ALL Township buildings are closed to the public effective end of day March 17, 2020.

Staff will remain occupying the following buildings in an effort to limit service interruptions, but these buildings will be closed to the public until otherwise announced:

- The Township of St. Clair Civic Centre
- Moore Sports Complex
- St. Clair Parkway Golf Course
- Emergency Services Building
- Moore Museum
- Sombra Museum
- Courtright Hall
- Port Lambton Hall
- Wilkesport Hall
- Sombra Hall
- All pavilion rentals in public parks

If it is imperative you speak face to face with township staff, such controlled appointments can be scheduled by calling the local office.

Regular updates will be provided on this page. Please continue to exercise caution by thoroughly washing your hands with soap and water and using social distancing when you must attend a public space.
