

**PUBLIC NOTICE
PROPOSED COMMUNICATIONS TOWER INSTALLATION**

Take Notice of a **proposed communications tower installation** at the Courtright Fire Hall at **1550 Eighth Street** in Courtright, Ontario. The installation will be a self-supporting, galvanized steel structure, 120 feet in height, and occupying a foot print of 70 square feet.

The Purpose of the Installation is to provide Lambton County Fire Services with a high quality network signal to reduce gaps in coverage in the area. The tower would also include potential to accommodate future technology services.

The public is invited to provide **Written Comments** by end of business day, **December 5, 2016**, to the contacts shown below. Please include a return address.

An Open House will also be held on **Tuesday, November 29, 2016, from 6:00 p.m. to 7:00 p.m.** at the proposed installation location, the **Courtright Fire Hall, 1550 Eighth Street**.

Proponent Contact: Spectrum Communications, Carley Keefe, Quality Assurance & Implementation Coordinator, 1361 Confederation St, Sarnia, ON, N7S 5P1, (519)332-4224 x4705, carley@spectrum-communications.ca.

Municipal Contact: Walt Anderson, Director of Emergency Services, Township of St. Clair

wanderson@stclairfire.ca

The Key Map shows more particularly the location of the proposed installation.

The installation is subject to the Radiocommunication Act. General information relating to antenna systems is available from Industry Canada (<http://www.ic.gc.ca/towers>). Notice is provided under the Township of St. Clair *Protocol for the Development or Redevelopment of Telecommunications Towers*.

Dated at the Township of St. Clair this 16th day of November, 2016
